01. Hot Topic Asia Tourism Issue - Japan

Forecast of a Stronger Japanese Yen from 2026

- From 2026, the strong U.S. dollar is expected to weaken, while the Japanese yen is projected to strengthen.
- The era of budget-friendly travel to Japan may come to an end
- A stronger yen will reduce Japan's price competitiveness as a travel destination
- Conversely, outbound travel by Japanese travelers is expected to increase

VS

Japan-China Political Issue

- slowdown in Chinese tourist arrivals is expected to continue through the Lunar New Year
[Ref : biz.chosun.com.com]
- A sharp drop in Chinese visitors was recorded in November 2025 (715,000 in October → 562,000 in November).
- As a result, some Kyoto hotel rates have fallen from ¥20,601 to below ¥10,000. [Ref : donga.com]
- Prime Minister Takaichi signaled a gesture of reconciliation toward China (2026. 1. 5)
- In response, China's Ministry of Commerce announced export controls targeting Japan (2026. 1. 6.)

Sales Point

Demand diversification toward **Vietnam**, Korea, and Taiwan is needed

Stronger yen and rising hotel rates, lower ADR and multi-night stay promotions are required

Demand is shifting from major cities to secondary cities, calling for hotel + transportation bundled incentives.

01. Hot Topic Asia Tourism Issue – Vietnam & Thailand

Vietnam

Foreign tourist arrivals surpass 20M

- 20 millionth visitor was welcomed on December 15, 2025.
- Total foreign arrivals to Vietnam are expected to reach 21M.
- November 2025 arrivals surged to over 1.9 million.
- Expansion of new air routes, including Europe and other long-haul markets.

Thailand

Decline in tourist arrivals to Thailand

- Although foreign arrivals to Thailand surpassed 30 million in 2025, a 9.8% year-on-year decline is expected

[Ref : nationthailand.com]

- Travel warning issued due to conflict between Thailand and Cambodia
- Despite this, Indian tourist arrivals to Thailand are increasing sharply.

[Ref : Economic Times]

Hotel investment growth and tourism recovery in HK

- Over the past three years, the Thai baht has appreciated over 20% against the U.S. dollar
- This has weakened Thailand's price competitiveness, becoming a key factor behind the decline in tourist arrivals
- Value-for-money travelers are shifting toward competing destinations such as Vietnam.
