Rank	Destination	Changes
1	Thailand	Remains no.1 Country
2	Korea	Seoul Growth +3.3
7	Vietnam	Ha Noi Growth +2.4
—	Japan	Out of Top10

Vietnam Growth Opportunities

- ① China Inbound: Tết arrivals +60% YoY; Hanoi +2.4x (Direct beneficiary)
- ② Dual Engines: Korea (490K) & China (460K) growing as top source markets
- ③ New Markets: High growth in SEA/South Asia (PH +75%, IN +80.5%, ID +51.7%)
- ④ Long-haul: European arrivals +59% (Russia +195%, France +25%)
- ⑤ Geographic Strategy: Linear geography (North-to-South) in JP & VN

Strategic Implications:

Core: Diversified growth across KR, CN, and emerging SEA/India markets

Strategy: Implement city-specific strategies (Hanoi, Da Nang, HCMC, Phu Quoc) to leverage Vietnam's north-to-south geography

Japan Tourism Overview: 42.68 Million Arrivals

Key Stats: KR (No.1, 32.7%); CN (-60.7% surge in drop-offs). Trends: Osaka ADR declining; Departure Tax to triple in July.

Applying into VN's city-specific distribution (Hanoi to Phu Quoc)

Growth Partnership Roadmap

Pilot Launch

Small-scale testing with select rooms
Zero risk; performance verification

Data Validation

Insight-driven approach based on booking data
Fine-tuning source markets, seasons, and pricing

Strategic Expansion

Broaden with proven conditions
Activate additional channels and promotions

Let's Build a Growth Partnership Together

We propose starting with a risk-free pilot program -> A structure designed to expand once performance is verified through initial results

Simultaneous Targeting of Korea & China (Top 2 Source Markets)

Market Status: Korea (490K) and China (460K) are the No. 1 and No. 2 source markets for Vietnam, showing nearly equal proportions.

OMH Competency: OMH possesses equally strong distribution capabilities in both the Korean and Chinese markets.

The Advantage: We offer a unique structure that covers both major source markets through a single partner

TIP: Korea & China Inbound Statistics (Near-Equal Ratio) + Pilot Program Proposal

Expanding into SEA Markets (Indonesia, Thailand, Philippines)

Rapid Growth: The SEA and South Asian markets are growing fast, including Indonesia (+51.7%), the Philippines (+75%), and India (+80.5%).

Strategic Pillar: OMH is actively investing in the SEA market, establishing it as our third growth axis following Korea and Japan.

Methodology: We will connect your hotel to these emerging markets using our proven distribution methodologies from the Japanese market.

TIP: SEA SEA Market Growth & OMH Strategic Investment + Pilot Program Proposal

City-Specific Distribution Strategy (Leveraging North-to-South Geography)

Geographic Similarity: Like Japan, Vietnam has a long, linear geography from North to South.

Regional Dynamics: Each city—Hanoi, Da Nang, Ho Chi Minh City, and Phu Quoc—has a different source market mix and seasonality.

Our Expertise: OMH has extensive experience implementing city-specific market distribution strategies in Japan.

TIP: We will apply this localized know-how specifically tailored to each Vietnamese city for your hotel.
