CLOSING

Twin Boom + Our Next Move

City-tiered playbook · 7 rate plans · KINTEX May travel show

HOT

2026 Q1 — VIETNAM TWIN BOOM

Closer - Shorter Vietnam wins both ways.

An \$11T market with 1.6B travelers in motion.

Q1 Vietnam arrivals: 6.76M (+12% YoY) — record.

Q1 Korea outbound: 3.12M to Japan (record) + ~900K to Vietnam (Top-2).

Russia +163%. Europe +34.7%. USA +18.9%. Korea ~900K Q1.

Mid-East crisis + Cambodia advisory → SE Asia demand routes to Vietnam.

Source markets withdrawing: China, long-haul hubs.

Source markets surging: Russia, EU, USA, Korea.

Q1 record: Twin Boom in motion.

SECTION 01

「Closer, Shorter」 — Four Axes

Vietnam: the only market gaining from both Korea outbound and global inbound

Q1 international arrivals

6.76M

+12% YoY · all-time record

Russia arrivals (Mar)

+163.4%

Highest-ever recorded

Europe arrivals (Mar)

+34.7 %

First-ever EU charters

New premium room supply

4,500 keys

Sun Group + Marriott pipeline

Korea Q1 outbound

3.12M

to JP record + ~900K to VN

USA & Japan (Mar)

+18 % each

Both up — diversified base

KEY INSIGHT

Korea sends 3.12M to Japan AND ~900K to Vietnam — Vietnam is Korea's Top-2 outbound. Twin Boom: KR short-haul + global long-haul both choose Vietnam.

MACRO

FX VND ~25,000/USD · Rate **Stable Q1** · low-rate regime · Korea travel show: **KINTEX May 2026** — direct Korea outbound channel

SOURCE-MARKET SIGNAL

Who is choosing Vietnam — and why

PUBLIC

Six source markets all rising — and Korea brings 「Closer, Shorter」 demand

Region	Rank	Source Market	Mar 2026 YoY	Signal / Implication
Asia	1	Korea	Q1 ~900K	Korea Q1 outbound 3.12M · VN is Top-2 (after JP)
Asia	2	Japan	+18.6%	New diversification · historically TH-heavy
Asia	3	China	-23.5%	Diplomatic tension · only source in retreat
Long-haul	4	USA	+18.9%	Trans-Pacific premium · VN benefits
Long-haul	5	Russia	+163.4%	All-time high · long-haul → SE Asia
Long-haul	6	Europe	+34.7%	First-ever EU charters · TH replaced

KEY INSIGHT · Mid-East Crisis = Vietnam's Win

Mid-East crisis + Cambodia advisory → SE Asia demand reroutes to Vietnam (the safe alternative). No single source exceeds 25% of VN inbound; Korea brings 3.12M outbound + ~900K direct to VN. Twin Boom: long-haul fleeing crisis + Korea short-haul both choose Vietnam.

SECTION 02

Why source markets pivot to Vietnam — not TH

Three concurrent shifts redirect Asia demand into Vietnam

Q1 international arrivals

6.76M

All-time record · VNAT

Russia (Mar)

+163.4%

Highest-ever · long-haul shift

Europe charters (Mar)

+34.7%

POLICY & CAPACITY

Seven concurrent drivers — all toward Vietnam

Visa ease, charters, supply & digital arrival align this quarter

Driver	Detail	Direction	Source
Annual 25M target	VNAT 2026 plan · all-time policy push	Up	VNAT
Digital arrival card	QR-based mandatory entry from 4/15	New	Immigration
Sun Group pipeline	Premium hotel keys (resort + city)	Up	Sun Group
Marriott pipeline	Premium room expansion across HCMC/Hanoi/coast	Up	Marriott
EU charter flights	First-ever EU charters — Thailand replaced	New	ETC Europe
Russia inbound surge	+163.4% YoY all-time high	Up	MOFA Russia
Bali advisory	Indonesia advisory → SE Asia redistribution	Up	Tourism advisory
Net result — Vietnam absorbs	the diversified inflow ahead of competitors	Outcome	VNAT

SECTION 03

Long-haul shrinks — short-haul wins

PUBLIC

Not just fuel-price — a supply restructure favoring short & medium-haul

Jet fuel (per barrel)

\$197.83

+119.7% YoY

International fuel surcharge

33 tiers

All-time high · Korea routes

Long-haul round-trip surcharge

\$720+

Record level breached

Domestic surcharge surge

4.4x

Pressure on regional carriers

IATA WARNING “Jet fuel price gains will not reverse **in months**” — IATA Q1 industry warning

Two paths for Asian carriers

DECLARED · Emergency-management announced

3/16 T'way Air (KR)

First public declaration

3/25 Asiana (KR)

14 international routes cut

3/31 Korean Air

From 4/1 · Q1 record KRW 4.5T

3/31 Jin Air, Air Busan, Air Seoul

Korean Air group LCC alignment

SILENT · Quietly restructuring

■ Jeju Air

Cuts

Hanoi · Bangkok · Da Nang
110 flights

■ Air Premia

Reduction

LA · NYC 42+ flights

■ Industry-wide

De facto alignment

“All carriers in emergency mode” (industry)

*Public declarations signal markets, route cuts restructure supply — **same direction**. Long-haul shrinks. Short & medium-haul (Vietnam included) absorbs the demand.*

Q1 AIRLINES EARNINGS

Same crisis, different outcomes

Who restructured, who got squeezed — and where Vietnam fits

USA

Mixed

Delta Air Lines

Q1 net loss

-\$289M

But Q2 growth guidance issued
(rebound signal)

USA

Strong

United Airlines

EPS YoY

+85%

Premium-cabin demand strong
Long-haul yield maintained

Korea

Strong

Korean Air

Q1 revenue (record)

₩4.5T

Operating profit +47% · in
emergency mode, still record

KEY INSIGHT

Same fuel shock, divergent results. Long-haul premium (United) and short-haul concentration (Korean Air) both win. Vietnam — as a short & medium-haul destination — is structurally on the winning side.

SUPPLY SHIFT

Cuts vs Keeps — where Vietnam stands

PUBLIC

*Consumer choice and airline choice converge on the same destinations***CUT · Routes being reduced
(long-haul)****Jeju Air****110 flights**

Hanoi · Bangkok · Da Nang

Air Premia**42+ flights**

LA · NYC (long-haul)

Air Busan / T'way**Discontinued**

Loss-making long-haul routes

**KEEP · Routes maintained
(short & medium)****Da Nang**

Beach & resort hub · EU charter pivot · Sun Group anchor

Hanoi

Northern gateway · stable demand · 5-hour radius from East Asia

HCMC

Southern hub · Marriott pipeline · diversified business demand

REGIONAL RIPPLE · Vietnam absorbs

Korea-cut routes Even where Hanoi is cut from Korea (Jeju Air **110 flights**), EU charters, Russia +163% & Japan +18.6% rebalance the inflow.

Industry restructuring Long-haul carrier consolidation may bring **M&A · forced restructuring** in the next quarters.

Core narrative “Long-haul shrinks. Short & medium-haul absorbs.

All point one way — Vietnam, the new center of gravity.”

SECTION 04

Vietnam's 4 inbound games — Hanoi · HCMC · Da Nang · Phu Quoc

6.76M is not uniform — each city plays a different game by source mix

Q1 arrivals

6.76M (+12%)
All-time record

New premium keys

4,500 keys
Sun + Marriott · 2026

Digital arrival card

4/15+ QR
Mandatory · operational

City-by-city game — Q1 2026

- Hanoi — Korea + EU charter gateway · long-stay business · Premium ADR strong
- HCMC — Business + USA Trans-Pacific · MICE recovery · room supply tightest
- Da Nang — Korea leisure core (Top-1 KR resort city) · seasonal ADR peak
- Phu Quoc — Russia +163% direct charter beneficiary · EU first-ever charters land here
- Sun + Marriott 4,500 new keys — premium & family focused (Phu Quoc + Da Nang)
- Digital arrival mandatory 4/15+ — Hanoi/HCMC airports lead operational rollout
- Bali advisory + Cambodia advisory — SE Asia demand reroutes to Vietnam (all 4 cities)

KEY INSIGHT

「Closer, Shorter」 plays out by city — Hanoi for KR/EU, HCMC for biz/US, Da Nang for KR leisure, Phu Quoc for Russia/EU charters. One country, four games.

INBOUND MATRIX

Who flows into KR · JP · VN

PUBLIC

Three core markets, one page — Vietnam wins from every direction

Source	→ Korea	→ Japan	→ Vietnam	Vol.18 Signal
KR Korea	—	Q1 3.12M (record)	Q1 ~900K (Top-2)	JP first, VN strong second
CN China	Q1 1.45M (+29%)	−2,700 flights (Mar)	−23.5% (Mar)	Only KR recovers · VN/JP outflow
US USA	Long-haul +17.1%	Stable	+18.9% (Mar)	VN emerging · all 3 grow
JP Japan	Q1 940K (+20.2%)	—	+18.6% (Mar)	VN inflow · KR↔JP record both
RU Russia	Limited	Limited	+163.4% (Mar)	Long-haul shift · VN sole winner
EU Europe	Long-haul +17.1%	Rail pass ↑	+34.7% · charters	TH replaced by VN · all 3 grow

KEY INSIGHT · Vietnam: the Twin-Boom winner

Korea Q1 outbound 3.12M to JP + ~900K to VN — Vietnam captures Korea's #2 share. Russia +163% / EU +34.7% / USA +18.9% all converge on Vietnam. Mid-East crisis routes SE Asia demand here. Twin Boom: short-haul KR + long-haul flight = both win Vietnam.

CLOSING

Twin Boom — Vietnam Wins Both Ways

PUBLIC

Demand · Supply · Cost · Performance — all four converge on Vietnam

Axis	Signal	Direction
Demand	Q1 6.76M record + Korea 3.12M outbound (VN Top-2) + 6 sources rising	Twin Boom
Supply	4,500 new premium keys · EU first-ever charters · digital arrival 4/15+	Capacity ready
Cost	Long-haul shrinks · Mid-East crisis routes SE Asia demand to Vietnam	Crisis benefit
Perf.	+12% YoY Q1 · annual 25M target on track · 4 cities differentiated	City-tiered win

2026 Q1 — VIETNAM TWIN BOOM

Twin Boom

OUR NEXT MOVE

7 Rate Plans · 4-City + Korea Channel Strategy

INTERNAL

*Hanoi · HCMC · Da Nang · Phu Quoc — KINTEX May 2026 direct Korea outbound channel***MLOS 2****Min LOS 2 Nights***2-night minimum stay*

Convert 1-night drop-offs into 2-night stays. Consecutive Night Discount + F&B Bundle for KR/EU/Russia long-haul.

WKLY**Weekly Rate (LOS 6+)***Long-stay weekly flat rate*

Repeater · Workation · Extended Stay — KR digital nomads & Russian long-stay (Phu Quoc/Da Nang). Weekly Plan secures Base ADR.

LMD**Last Minute Deal***Last-minute pricing*

Distressed Inventory 72h conversion. Critical with EU/Russia charter volatility + KR short-booking-window demand.

APR**Advance Purchase 30/60/90***Early-bird pre-purchase*

KINTEX May 2026 travel show APR campaign — KR outbound 30/60/90 lead time secured. Non-Refundable EU charter blocks.

WE INV**Weekend Allocation***Weekend inventory allocation*

Fri-Sun peaks · KR + JP short-haul Weekend Premium. Da Nang/Phu Quoc resort weekend yield optimization.

FIT FX**FIT Fixed Rate***Short-term fixed rate (FIT)*

Remove Price Volatility. KINTEX May Flash Sale + Promo Code — essential for KR FIT + EU/Russia FIT entering VN.

HB**Hard Block / Allotment***Pre-secured hard-block*

Hanoi (KR/EU gateway) · HCMC (USA biz) · Da Nang (KR leisure) · Phu Quoc (Russia/EU) — city-tiered Release Back-free.

vs OTA**Rate Parity + DP***OTA-competitive rate alignment*

Global OTA Rate Parity + Dynamic Pricing. Rate Erosion prevented across 4 cities as Russia/EU/KR enter via OTAs.

OUR FINAL WORD · The one thing we must say

"Vietnam Twin Boom: long-haul flight + Korea short-haul both choose Vietnam. 7 Rate Plans tiered by 4 cities (Hanoi/HCMC/Da Nang/Phu Quoc) + KINTEX May 2026 Seoul travel show direct-sale channel — partner revenue and our distribution power are captured together."

Ohmyhotel&Co News

Tech

HARE Daily News + MB Extranet — official launch in preparation

ELLIS (Travel OS) + HARE (AI Agent) architecture in full operation. HARE Daily News enters daily-publishing cadence; Monthly Brief Extranet preparing for official launch — direct hotel-partner access channel.

Corporate

Singapore Holdings activated April 1

Ohmyhotel Global Pte. Ltd. (Singapore) officially activated April 1. 4-tier holding structure (SG→JP/KR/VN) completed — Vietnam fully integrated into global distribution.

Events

May KINTEX Seoul Travel Show — VN hotels' direct Korea outbound channel

May 2026 Seoul KINTEX Travel Show confirmed. VN hotel partners gain direct hotel promotion + on-site sales connection — show-period exclusive promotions recommended (limited packages · early-bird · LOS bundles). Korea outbound 3.12M momentum directly captured for VN portfolio.
